**(Fragments of former manor house in Veisiejai)**

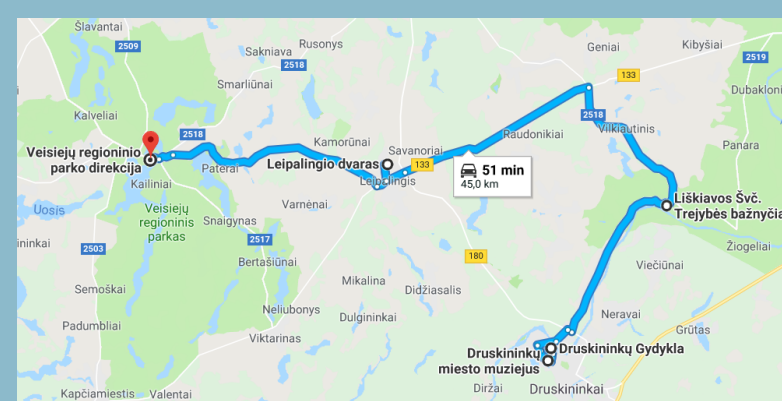

Karolis Dineika park is an important green area for recreational and therapeutic purposes in Druskininkai. It is located on picturesque slopes of the Ratnyčia stream and has a long and meaningful history. The beginning of activities of the park date back to the end of the 19th century. In 1924-1935 in the place of the present K. Dineika park, a small private sunbathing park of a physician Eugenija Levicka was created in the pine forest (in 6 ha territory). It consisted of two open swimming pools for adults, a pool for children, two air solariums, several gymnastics and sports grounds, several pavilions, and an impressive plumbing tower, which now is included in the Register of Cultural Property.
